Subject: Combined Sewer Overflow | Long-Term Control Plan
Addendum No. 2 - Alternatives Analysis and Recommended Plan Evaluation
Consent Decree No.: 2:16CV512-PPS
NPDES Permit No.: IN0022977

Dear Dr. Hodaj:

The Gary Sanitary District (GSD) is submitting its Alternatives Analysis and Recommended Plan Evaluation Addendum No. 2, in response to comments submitted by the Agency via email on 07/15/2020.

I certify under penalty of law that I have examined and am familiar with the information submitted in this document and all attachments and that this document and its attachments were prepared under my direction or supervision in a manner designed to ensure that qualified and knowledgeable personnel properly gather and present the information contained therein. I further certify, based on my inquiry of those individuals immediately responsible for obtaining the information, that I believe that the information is true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment.

Should you have questions concerning this matter, please contact me at 219-944-0595, Ext. 1816.

Sincerely, 
7F24728A99F4482...
Daniel F. Vicari, P.E., BCEE
Executive Director
